Celebrating Two Years In

Just 2 years ago today, April 8th, 2022, Michelle and I officially reopened the #WyalkatchemTravellersPark.

How time flies.

Our success has been boosted by the wonderful people who we call our “Wylie Family “. #wyalkatchem .

Without your support and encouragement we could not have achieved as much as we have in just 2 short years.

We would also like to thank all those travellers that have stayed with us and enjoyed our slice of Paradise.
