The group rose early for another round of the club’s Famous dog walk. Returning to the Recreation Centre, the four-legged guests delighted in the fabulous, clean space, perfect for walking, running and playing in the fresh air.

After such rigorous play, everyone and their fur companions headed to Wyalkatchem’s famous Devonshire teas. The volunteers even set up a special table to ensure both dogs and owners were perfectly comfortable.

Once both the owners and their ‘fur guests’ had finished their scones and tea, the group set off to walk off the extra calories. They enjoyed a stroll through the Wyalkatchem town site, it was the perfect chance to explore the towns history. There was time to also visit the CBH Museum, the local Op Shop, and the Old School House Museum.

The group spent another wonderful night around the campfire, roasting beef over the open flames and enjoying a few drinks. Laughter filled the air as jokes and funny stories flew in every direction, it seemed even the ‘fur guests’ had a few tales to tell!
