

## The unveiling of a new Mural

This Saturday 29th March 2025, is the unveiling of Wyalkatchem's new mural.

What a bright eye-catching piece of art work. The mural has been painted, by Tammi de Rooy, on the side of the Wyalkatchem Hotel. The amazing mural is a road safety message depicting scenes associated with the Wyalkatchem district.

To celebrate this work of art, the Wyalkatchem community is holding a street party, which will be held on Railway Terrace from 5pm, there will be live music, food stalls, bars and fun for the whole family.

Dress in fluoro or eye blinding bright clothing to join in the fun.

Make a weekend of it, bring your caravan, camper, swag or tent, and stay at the Wyalkatchem Travellers Park.
